That's cool. How's the baby? Lol. That's good. Well, he's just wanting you to like him really bad. Lol. No . Yea but he's playing the victim like poor him he just cooks and is so nice but you have an attitude anyway. Hahahaha!!!! Oh I wonder why. Bc he calls everyone's parents and talks shit and holds everything you say against you. You're numb

Yea. I know it's rough. What? I did but I was just sending it to Stacie.

~~Is that sarcasm i cant tell in text wym he wants me to like him? Hes bein mean. Yea u right it just gets in my nerves. He asked me this morning who i like and who likes me and hows my friends and hows school and i was just like "the usual" and "fine" and "nobody" or "nothing" and he was like idk why you always lie to me and you never talk about your friends anymore and i was just like i dont talk much at all anymore. Yea and after church he just kept asking whats wrong or if im hungry or tired and he was lick "you have a thousand mile stare on your face" and i waent even tired. I was trying to explain it to aunt jen and its like im not even mad anymore or sad i just dont have any emotion towards him its just so exhausting and the only word i can think of to explain it is drained. Yea my routine is literally wake up go to school come home get yelled at do homework get lectured then cry myself to sleep and he thinks hes the father of the year Now how u gonna prove i said that just by copy and pasting it. U didnt just copy and paste that sentence? Oh~~

Yea. I know it's rough. What? I did but I was just sending it to Stacie. I miss you. We're gonna figure something out. She said she has someone in the police force very high up that is just waiting for a reason any reason to go over there and arrest or at least scare him. Something is better than nothing but we have to say something happened or he was mean to you and exactly what he said. Idk. She just said to let her know. Yea. It won't be said that it's from me. Just communicating with Stacie about everything.

~~Now how u gonna prove i said that just by copy and pasting it. U didnt just copy and paste that sentence? Oh i miss you too a lot i just wanna come home. What is stacie saying? Why does she want me to tel her everything like how does she think shes gonna help not trying to sound rude im jw what shes saying. What could he arrest him for? Hurting my feeligns? Does the person know john? Or hes just going off of what stacie has said? Oh well i mean i appreciate them for trying to help but idk what anyone could do honestly. If theres no proof he did anything to me then nothing is gonna happen and im just gonna have to come back and its just gonna be worse for me
